*May 29th, 2020 - american journalist and
author joel garreau s non fiction book*

radical evolution the promise and peril
of enhancing our minds our bodies and
what it means to be human 2005 describes
various technologies and scenarios that
will lead the world into a posthuman or
transhuman future in which humanity and
technology merge to be something beyond
human the research areas that will
deliver us to this exciting and quite
possibly terrifying future are what
garreau calls'

'radical evolution

May 27th, 2020 - radical evolution the promise and peril of enhancing our minds our bodies and what it means to be human isbn 0 385 50965 0 is a book published in 2005 by joel garreau summary edit the book is about the march toward a potentially posthuman future in which emerging technologies will allow humans to shape their bodies and minds or possibly destroy life on earth or even

the universe'
